Women at the Well

wish to thank the parishioners from all four of our churches for their most generous support of our baby bottle drive.

If you have not returned your bottle, please drop it off at the rectories or at weekend mass.

We will be sending any additional donations in the next few weeks.

Why do we burn candles in the Catholic faith

In the Catholic church, light has always had a special significance because it represents Christ, the Light of the World. The Paschal candle is lit as a sign of the risen light of Christ.

Burning candles is seen as an offering that indicates we are seeking some favor from the Lord or a saint and is typically accompanied by prayers of intention. The light signifies our prayer, which is offered in faith, entering the light of God. It also shows reverence and our desire to remain present in prayer even as we continue on our day. Lighting a candle for someone is a way to both extend your prayers and show solidarity with that person. We also light candles as a sign of gratitude to God for answered prayers.
