Saint Anthony,
Abbot,
Feast Day
January 17

From the Vatican News

His life was marked by solitude, fasting and work. Orphaned at 20, as a young man he gave all his goods to the poor and retired to the desert, where he also fought against the temptations of the devil, choosing the path of asceticism and prayer. Anthony was responsible for the establishment of families of monks who, under the guidance of a spiritual father, consecrated themselves to the service of God.

Prayer (Catholic Online)

Saint Anthony, you spoke of the importance of persevering in our faith and our practice. Help us to wake up each day with new zeal for the Christian life and a desire to take the next
